FOR IMMEDIATE RELEASE

SAN DIEGO GAS & ELECTRIC BOARD

NAMES STICKEL AND JONES AS NEW DIRECTORS

SAN DIEGO, Oct. 25, 1994 -- San Diego Gas & Electric's board of directors yesterday named two new members to the board, bringing the total number of board members to 10, according to Thomas A. Page, SDG&E chairman, president and chief executive officer.

The two new members are Thomas C. Stickel, chairman and founder of American Partners Capital Group, Inc., and William D. Jones, president, chief executive officer and a director of CityLink Investment Corporation.

Stickel established American Partners Capital Group, Inc., a corporation specializing in pension fund-related capital formation programs, in 1994. Between 1983 and 1992, Stickel was founder, chairman and chief executive officer of TCS Enterprises, Inc., the parent company of seven wholly owned business and financial services companies. Prior to that, Stickel founded and served as chief executive officer of Bank of Southern California.

Stickel graduated from San Diego State University in 1971 and earned a master's degree in public administration from the University of Southern California in 1976.

Jones joined CityLink Investment Corporation, based in San Diego, in 1994. CityLink acquires and manages real estate ventures and commercial businesses in select urban areas. CityLink is developing an urban village in the Mid-City community, the first phase being the Mid-City Area Police Station/Community Center for San Diego.

Prior to the formation of CityLink, Jones had been general manager/senior asset manager for the Prudential Investment Corporation until 1993. He joined the Prudential organization in 1989 as investment manager and assistant to the chairman for the Prudential Realty Group in Newark, New Jersey. Jones served as a member of the San Diego City Council between 1982 and 1987, including one year as deputy mayor.

Jones received a bachelor's degree in economics from the University of San Diego in 1980, and a master's degree in business administration in 1989 from the Harvard School of Business Administration.

"These two gentlemen expand the expertise of the SDG&E board to better reflect the rapidly changing needs of the utility business," said Page. "It's a pleasure to welcome them to the board, and we look forward to the benefit of their proven experience in competitive markets."
