SEMPRA ENERGY TO HOLD VIRTUAL ANNUAL SHAREHOLDERS MEETING

SAN DIEGO, April 14, 2020 – [Sempra Energy](#) (NYSE:SRE) announced today that its 2020 Annual Shareholders Meeting will change to a virtual-only format, to help protect the health and safety of employees, shareholders and the communities it serves in light of the public health impact of the COVID-19 pandemic. Sempra Energy's Annual Shareholders Meeting (Annual Meeting) will take place at 9 a.m. Pacific Time on May 5, 2020, the same date and time as originally scheduled. There also is no change to the items of business to be addressed at the meeting, which are described in Sempra Energy's proxy materials as previously distributed.

The change to a virtual-only format for the meeting is in line with California Gov. Gavin Newsom's executive order N-40-20, released on March 30, 2020, issued under the state of emergency declared due to the COVID-19 pandemic. Sempra Energy intends to return to in-person Annual Meetings next year.

Shareholders will not be able to attend the Annual Meeting in person. Instead, shareholders should follow the instructions provided below to attend the virtual Annual Meeting. Shareholders who attend the virtual Annual Meeting by following the instructions below will have an opportunity to vote and to submit questions electronically during the meeting. Shareholders are encouraged to vote their shares prior to the virtual Annual Meeting by any of the methods described in the proxy materials. The proxy card and voting instruction form included with the previously distributed proxy materials will not be updated to reflect the change in location of the meeting, but they may continue to be used to vote your shares on the proposals to be presented at the virtual meeting. Shareholders who have previously voted do not need to take any further action.
