Explanation of Responses:

1. Restricted phantom shares of Sempra Energy Common Stock received as director compensation having a then market value of \$180,000. Shares vest in equal annual installments as to one-third of the original grant (together with related reinvested dividends or dividend equivalents) on each of the first three anniversaries of the grant date. Unvested shares are subject to forfeiture if service as a director terminates for any reason other than death, retirement, disability or removal without cause, in which event all unvested shares would immediately vest and the then market value of the shares plus reinvested dividend equivalents is paid to the director in cash.

2. Conversion of Derivative Security is 1 for 1.
