FOR IMMEDIATE RELEASE

SDG&E VICE PRESIDENT/TREASURER MALQUIST

ACCEPTS NEW POST AT SIERRA PACIFIC

SAN DIEGO, March 22, 1994 - San Diego Gas & Electric (NYSE: SDO) Vice President and Treasurer Malyn Malquist today announced his resignation from the company to accept the post of senior vice president and chief financial officer with Sierra Pacific Resources in Reno. Sierra Pacific Resources provides electric, natural gas and water services to seven counties along the Northern California border and 14 Nevada counties.

Malquist, who has served as SDG&E's treasurer since 1990, first joined the company in 1978. His resignation is effective mid-April. A replacement will be named shortly.

"Malyn has given SDG&E many years of his valuable expertise," said SDG&E Chairman, President and CEO Thomas A. Page. "His strong ties to the financial community helped SDG&E spread the message of its leadership in a changing utility industry. We wish Malyn well in his new appointment."

HENRY MORSE NAMED SDG&E DIVISION MANAGER,

TREASURER'S DIVISION

SAN DIEGO, March 31, 1994 - Henry P. Morse, Jr., has been named division manager, treasurer's division, of San Diego Gas & Electric, the company announced today. The appointment is effective Friday, April 1.

As division manager, Morse will oversee investor relations, economics and forecasting, financial services and corporate taxes, formerly the duties of Malyn Malquist. Malquist resigned as treasurer and as an officer of the company effective March 30.

Information technology services, formerly in the treasurer's division, will report to SDG&E Vice President and Controller Frank H. Ault. Both Morse and Ault will report directly to Executive Vice President Donald E. Felsing.

Morse, 41, joined SDG&E in 1973 as an associate engineer. Since then, he has held a variety of assignments within the company, including management positions in regulatory affairs, marketing, financial planning and investor relations. Morse, who is currently a group manager in the strategic plans and projects division, has maintained contact with the financial analyst community as a frequent presenter on SDG&E's competitive position.

He earned a bachelor of science degree in engineering in 1973 and a master's degree in management in 1986, both from the University of Redlands, in California.
