(Title of Class)

Item 1. General Information

The registrant, SDO Parent Co., Inc., was organized on December 20, 1994 as a corporation under the laws of the State of California. The registrant's fiscal year ends on December 31. The registrant has filed a registration statement on Form S-4 (the "Form S-4") under the Securities Act of 1933, as amended, with respect to the issuance of certain shares of the registrant's common stock, without par value (Registration No. 33-57007).

Item 2. Transaction of Succession

San Diego Gas & Electric Company, a California corporation ("SDG&E"), formed the registrant for the purpose of creating a holding company structure. The structure will result, prior to the effectiveness of this registration statement, from a merger (the "Merger") of a second-tier subsidiary of SDG&E (San Diego Merger Company) with and into SDG&E, whereby the registrant, a first-tier subsidiary of SDG&E (and the parent of San Diego Merger Company), will become the parent of SDG&E. The transaction is more fully explained in the proxy statement and prospectus of SDG&E and the registrant which is included as part of the Form S-4 and which is an exhibit hereto.

The common stock, without par value, of SDG&E is registered pursuant to Section 12(b) of the Securities Exchange Act of

1934, as amended (the "1934 Act"). In addition, certain classes of SDG&E's preference stock (cumulative), without par value, and cumulative preferred stock, \$20 par value, are registered pursuant to Section 12(b) of the 1934 Act (and will remain so registered despite the Merger). Prior to the effectiveness of this registration statement, the registrant will become the successor registrant to SDG&E's registration of SDG&E common stock, without par value. The Merger will cause shares of SDG&E's common stock, without par value, to be converted, on a share-for-share basis, into shares of the registrant's common stock, without par value. Issued and outstanding shares of SDG&E's preference stock (cumulative), without par value, and cumulative preferred stock, \$20 par value, will remain outstanding and be unaffected by the Merger.

Item 3. Securities to be Registered

The registrant is authorized to issue 300,000,000 shares of the registrant's common stock, without par value. Upon the Merger and prior to the effectiveness of this registration statement, approximately 116,534,135 shares of the registrant's common stock, without par value, will be issued and outstanding, none of which will be held by or for the account of the registrant.

Item 4. Description of Registrant's Securities to be Registered

The registrant's common stock, without par value, is described in the proxy statement and prospectus of SDG&E and the registrant which is included as part of the Form S-4 and which is an exhibit hereto. The section entitled "Item No. 2 - Formation of a Holding Company -- Articles of Incorporation and Bylaws of ParentCo" is incorporated herein by reference.

Item 5. Financial Statements and Exhibits

Financial Statements. With reference to holders of the registrant's common stock, without par value, the capital structure and balance sheet of the registrant immediately after the Merger will be substantially the same as those of SDG&E immediately prior to the Merger. Accordingly, no financial statements are filed with this registration statement.
